

FAA Safety Team presents:

Inaugural Meeting of the Lincoln Park Chapter of the IMC Club International.

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. IMC Club believes that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. Open to everyone. You do not have to be instrument rated to attend. Click on the link below and register TODAY. The Lincoln Park Chapter of the IMC Club is proud to announce Radek Wyrzykowski, Master CFI, as the guest speaker for the evening. Mr. Wyrzykowski is the president and founder of the IMC Club International.

Directions: The meeting will be held in the Aero Safety Training conference room at the corner of Jacksonville and Beaverbrook Roads. Park in the lot adjacent to the Sunset Pub and Grill.
